

Personal Protective Equipment

Face Masks: 3 Ply Disposable | Washable | FFP2 | Gloves

Somac can supply a range of protective equipment to help you keep your workforce safe and get your business up and running again. Three types of mask and two types of protective gloves available in various sizes.

Bulk quantities or single boxes.

ROAMFREE Anti-Microbial Washable Face Mask

20 x Washes | white | 25 per box | reusable

ANTI-MICROBIAL: Each Mask is treated with an Anti-Microbial treatment to inhibit the growth of microorganisms on the Mask. This extensive treatment also acts to prevent the build-up of odour in the mask during long periods of use.

FILTERS THE AIR YOU BREATHE IN: The dual layer construction minimises particles entering while allowing the user to breathe freely.

ULTIMATE COMFORT: The inner fabric of the Mask is comprised of a soft touch cotton-rich fabric. The Fabric coupled with the ergonomic stretch ear loops creates an extremely comfortable wearing experience.

WASHABLE. REUSABLE: Each Mask is washable, this increases the lifespan of the mask, removing the environmental impact of traditional disposable Masks. The Mask can be washed 20 times.

- **ANTI-MICROBIAL**
- **AVAILABLE IN SMALL, MEDIUM & LARGE**
- **25 PCS PER BOX**
- **27 BOXES PER CTN (675 PCS PER CTN)**
- **OUTER FABRIC – 40/60 POLYESTER/COTTON**
- **INNER FABRIC - 35/65 POLYESTER/COTTON**

3Ply Disposable High Filtration Face Mask

95% Filtration | Blue | 50 per box

ONE SIZE FITS ALL. Elasticated ear loops provide versatile support, making the mask perfect for both Men and Women.

LIGHTWEIGHT FIT. Made from light weight non-woven, polymer synthetic filter material. The flexible nose piece allows the mask to fit the contours of any face and ear loops provide support to keep the mask in place at all times.

FOR EVERYDAY USE. Masks can be used to reduce the risk of inhaling airborne particles. Once mask becomes dampened, remove immediately and dispose of it. Do not re- use. Single use only.

50 PACK FACE MASKS. The face masks come in a sealed box of 50 pieces to ensure sanitary and convenient protection from contamination.

- **≥95% BACTERIAL FILTRATION EFFICIENCY**
- **CE CERTIFIED**
- **EN CERTIFIED - EN149:2001***
- **ISO CERTIFIED**

**Respirators that meet the requirements of EN149:2001 are designed to protect against solids, water-based aerosols, and oil-based aerosols.*

FFP2 Face Mask KN95

KN95 | White | 20 per Box | 95% Particle Filtration

TOP MATERIAL: PP non-woven fabric. The top material of this mouth mask filters 95% of airborne particles dust, seasonal allergies, smoke and car exhausted gas

FILTERS THE AIR YOU BREATH IN: The respirator can be used all year round in any weather which keeps you safe from fog, smog, dust, smells, vehicle exhaust, air pollution, allergens, and humidity, thus keeping you healthy and safe from many diseases.

ULTIMATE COMFORT : The Mask comes with a skin-friendly fabric and a nose bridge design for a greater wearing experience. The elasticated straps allow the mask to any face shapes, ensuring a comfortable fit for long durations.

MULTIFUNCTIONAL: The disposal face mask suits for men and women of all ages with different face type. A perfect protector for a working environment, exercise or general travel.

- **≥95% PARTICLE FILTRATION**
- **CE CERTIFIED**
- **EN CERTIFIED - EN149:2001***

**Respirators that meet the requirements of EN149:2001 are designed to protect against solids, water-based aerosols, and oil-based aerosols.*
